

Marché

PRIVATE DINING

We have a private dining room that seats up to 20 guests, and is a lovely spot for business presentations, family celebrations and parties.

MENU

For groups of twelve or more, we recommend a custom menu, designed to simplify choices for your guests. We can work with you to create a menu based on our market driven ingredients that suit your occasion and offer options for a variety of tastes. We'll print a heading to commemorate your event on the menu, and can omit prices.

WINE

We carry an extensive list of wines representing the traditions of France and the old world, as well as a wonderful repertoire of wines from the Northwest. It's often wise to choose wine ahead of time for a large group, to ensure sufficient availability. A complete wine list can be found on our website.

CELEBRATORY DESSERTS

If your party includes the need for a special dessert, we're happy to work with you and our pastry chef to create the perfect dessert that is festive and appropriate for your event.

FLOWERS & DECOR

If you'd like to purchase flower arrangements to decorate the tables, there is a wonderful florist located in the Fifth Street Public Market: Rhythm & Blooms (485-4659).

AUDIO VISUAL EQUIPMENT

Please let us know if you'll be including any presentations or programming in your event so we can advise you and prepare to help with set-up.

EXCLUSIVITY & CONTRACT

Our courtyard dining room is separated from the rest of the dining area by french doors and a thick theatre curtain, which creates a truly private experience. If you'd like to reserve the room exclusively for dinner, there is no rental fee, but we do require that the food and beverage total reach a minimum of \$750, Sunday-Thursday and \$1500 on Fridays and Saturdays. For lunches and brunches, the minimum is \$350. If you'd like to reserve the room exclusively and your group's food and beverage total does not reach the minimum, the balance will be charged as a room reservation fee.

Once we've worked together to come up with a menu and logistical plan for your event, we'll provide a simple agreement to ensure that we're all on the same page with regard to the number of guests, menu, timing and confirmation dates.
