*Cellar Certification is the process developed by the Eyrie Vineyards to make available wines carefully stored by David Lett himself through Eyrie's storied history. The wines have been opened, evaluated for quality, rebottled and recorked in an oxygen-free environment. They showcase the history of Oregon wines, and assure that you can enjoy wonderfully aged wines with confidence.

CORKAGE

If you'd like to bring in a special bottle from your cellar, we have a \$20 per bottle corkage fee.

Please bring no more than 2 bottles.

Marché WINE LIST

Our wine list is inspired by the great wines of France and their New World counterparts, and carefully chosen to complement our food. The wines are listed in order of style; light-bodied to heavy, higher acid to lower, dry to sweet. We constantly strive to showcase producers dedicated to making real, natural, food-friendly wine with a sense of place.

Sparkling wines are among the most versatile food wines in the world, able to pair successfully with even the heartiest foods thanks to their luxurious texture and racy acidity.

FEATURED REGIONS: OREGON & CHAMPAGNE, OF COURSE

Defined by their snappy chalk mineral backbone and bright acid, these lively, fresh wines pair well with seafood, especially shellfish.

FEATURED REGIONS: LOIRE VALLEY WILLAMETTE VALLEY

These hearty, dry wines are full of flowers and vivid orchard fruit. Well-integrated acidity and substantial body matches well with rich, bold dishes, even those with smoky flavors.

With a range of flavors and textures, chardonnay can be difficult to define. French examples tend to be lighter, more mineral-driven and a little nutty. New world examples often have more exuberant fruit and a creamier, fuller texture.

FEATURED REGIONS:

WILLAMETTE VALLEY

Year round, rosés are some of the best wines for both pure enjoyment and food compatibility.

FEATURED REGIONS:
PROVENCE, WILLAMETTE VALLEY

Capable of both elegant beauty and dark, earthy gravitas — often in the same wine — few wines are as captivating as pinot noir. From the more restrained, perfumed French examples to the fruit-forward and full-bodied New World interpretations, red berry and cherry fruits mingle with spice and roses to accompany lighter red meats or poultry, rabbit and more substantial seafood.
